

Masterclass with Professor Roger Crisp, Professor of Moral Philosophy. Uehiro Fellow and Tutor in Philosophy, St Anne's College, University of Oxford, Uehiro Centre for Practical Ethics

Topic: Morality and Reasons

Venue: CIBSS, Freiburg University, Germany ("Haus zur Lieben Hand")

Date: 29.6-1.7.2020

Hosted and Funded by CIBSS – Centre for Integrative Biological Signalling Studies, Albert-Ludwigs-Universität Freiburg, Germany

Organizers:

PD Dr. Marcel van Ackeren (Marcel.vanAckeren@philosophy.ox.ac.uk)

Prof. Dr. Oliver Hallich (Oliver.Hallich@uni-due.de)

All PhD-Students and Post-Docs (and advanced students) are welcome!

The Masterclass will focus on the discussion of some of the more recently published texts and of one yet unpublished article on Hedonism by Professor Crisp.

Day 1 of the masterclass will start onwith a short symposium on the unpublished texts on Hedonism by Professor Crisp, including invited comments by Bernward Gesang, Michael Schefczyk and Tatjana Visak which will be followed (Day 2-3) by the discussion of recent papers on Moral Luck, Supererogation and Virtue Ethics and also Chapters 1 and 5 of Roger Crisp's "Reasons and the Good".

The list of all texts and also the unpublished text on Hedonism will be sent out to the participants.

There will be no funding available for travel cost or accommodation, but there will be no fee.

If you would like to participate, please

- contact *both* organizers via email,
- briefly explain your interest and
- indicate whether you want to provide a short commentary on one of Roger Crisp's texts and, if so, on which of them.

Deadline for application: 29. February 2020.

Applicants will receive notifications of acceptance roughly 2 weeks after the final deadline.

This masterclass is supported by the German Research Foundation (DFG) under Germany's Excellence Strategy (CIBSS – ExC-2189 – Project ID 390939984).
